NEW PICTORIAL WORKS,
Just published by R. SEARS, and for sale at No. 128 Nassau street, New York.

AMERICAN GIFT BOOKS FOR 1851.—Agents are wanted to circulate the following new and beautiful works, (retail price, \$2.50 per vol.) A new and complete

PICTORIAL HISTORY OF CHINA AND INDIA, with a descriptive account of the countries and their inhabitants, from the earliest period of authentic history to the present time. In which the editor has treated not only of the historical events, but also of the manners, customs, religion, literature, and domestic habits of the people of those immense empires.

The embellishments are about two hundred, and of the first order, illustrating the events and the habits of the people, regarding their dress, domestic occupations, their mode of agriculture, commercial pursuits, &c. They are accurate, and each one has been made expressly for the work.

The volume forms a large octavo, containing between five and six hundred pages, printed in the best style, and on good substantial white paper. It is furnished to agents, handsomely bound in muslin, gilt, or leather, as the purchaser may prefer, at a very liberal discount, when quantities of not less than twenty copies are ordered at one time.

THRILLING INCIDENTS OF THE WARS OF THE UNITED STATES;
comprising the most striking and remarkable events of the Revolution, the Spanish war, the Tripolitan war, the Indian war, the second war with Great Britain, and the Mexican war, with three hundred engravings! Retail price, \$2.50 per volume. Orders respectfully solicited.

SEARS' PICTORIAL FAMILY PUBLICATIONS
are decidedly the best books that agents can possibly employ their time in supplying to the people of the United States. They are valuable for reference, and should be possessed by every family in this great republic. There is not a city or town in these United States, not even those of small importance, but contains many citizens to whom these works are indispensable. They are adapted to the literary wants of the Christian, the patriot, the statesman, and the domestic circle, and not in a superior style of art.

Persons wishing to act as agents, or to purchase the works, will find it well to recommend, and willing to see the purchaser again after they have been bought.

The plan the publisher has so successfully carried out for several years, is the obtaining responsible men as agents, who are well known in their own countries, and who are capable of doing the business in a judicious and instructive manner to their neighbors and friends. Any person wishing to embark in the enterprise will risk little in sending \$25 or \$50, for which he will receive an assortment as he may direct, at the whole-sale cash price.

Enterprising and active men of respectability and good address would do well to send for the works, and to send them to their neighbors, and to send them to their friends. Any person wishing to embark in the enterprise will risk little in sending \$25 or \$50, for which he will receive an assortment as he may direct, at the whole-sale cash price.
